

ICCEC 2013

9th International Conference on Clinical Ethics Consultation

"Clinical Ethics: Bridging Clinical Medicine and Ethics"

organized by

Klinikum Ludwig-Maximilians-University (LMU)

Munich, Germany

March 14 – 16, 2013
Munich, Germany

P R O G R A M and A B S T R A C T S

S u p p o r t

Meetings cannot be realized without financial help and support. Thus, we would like to thank all those who have supported the meeting which is focusing this year on

- Relevant or neglected areas and topics of clinical ethics consultation
- Ideas that underlie clinical ethics consultation
- How clinical ethics consultation works and how it should be carried out and
- How the quality of clinical ethics consultations can be ensured
-

thus giving us the opportunity to provide a platform for all those who want to discuss open questions and problems in the field of clinical ethics consultation.

We therefore gratefully acknowledge the support of following sponsors:

- Deutsche Forschungsgemeinschaft (DFG)
- Celgene GmbH
- Roche Pharma AG

W e l c o m e

**Welcome to the 9th International
Conference on Clinical Ethics Consultation
Munich, March 14 - 16, 2013**

Dear friends and colleagues,

We are highly honored to host the 9th International Conference on Clinical Ethics Consultation in Munich, Germany, next year.

It is our intention to strengthen the bridge between clinical medicine and ethics by providing a forum for the exchange of experience and discussions between clinicians, ethicists and ethics consultants. In particular, we plan to present "role model consultations" based on real clinical cases from intensive care, dementia care, and oncology.

In addition, plenary sessions will focus on the needs for ethics consultation from the perspective of clinicians and connect them to the experience of ethics consultants.

Ample time will also be provided for free oral or poster contributions based on an abstract competition.

We hope that we can attract many colleagues that are interested in ethics and medicine from various countries to make the ICCEC 2013 a lively experience and a forum for fruitful exchange and helpful information.

Looking forward to seeing you in Munich.

Yours

Wolfgang Hiddemann
Conference Chairman

Organizing Committee

Scientific Chairman

Wolfgang Hiddemann
Dept. of Internal Medicine III
Munich University Hospital
Ludwig-Maximilians-University
Munich, Germany

Scientific Secretaries

Eva Winkler
National Center for Tumor Diseases

General Information

Scientific Program:

Thursday, March 14 – Saturday, March 16, 2013

Location:

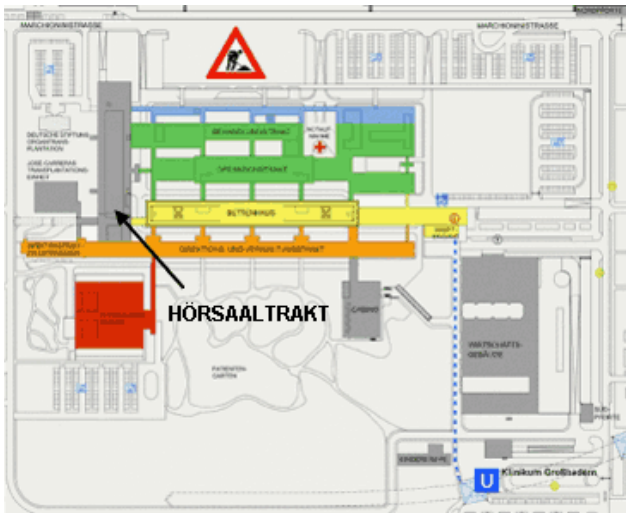

Klinikum Großhadern
Hörsaaltrakt
Marchioninistraße 15
81377 Munich, Germany

Official Language: English

Scientific Program:

All Main Sessions are CME-certified sessions. Take the opportunity and hear the internationally most recognized experts, discuss the most relevant clinical questions, and earn CME credits.

Conference Venue

Public Transport

Marienplatz:

U6 until subway station "Klinikum Großhadern" (final stop)

Main Station:

All S-lines to "Marienplatz"

Taxi:

Charge from Main Station
€9 (one way); from Airport
(40 km) €50 - €60 (one way)

Airport:

S1 or S8; Exit: Subway station
"Marienplatz"; from "Marienplatz"
U6 until subway station "Klinikum
Großhadern" (final stop)
