Proposed title of paper: Inspiring Ethical Reflection through Art

Abstract with 3 clearly stated objectives in 250 words:

In this paper, a clinical ethicist who has recently incorporated in her practice the use of art as a tool to engage healthcare providers in ethical reflection will discuss her experience and the response of participants. The objectives of this paper are:

- a) To discuss the rationale for incorporating art as a tool to engage healthcare providers in ethical reflection.
- b) To describe several different ways in which art was used to inspire ethical reflection with healthcare providers (e.g., photography/paintings, film, collage).
- c) To highlight challenges/barriers to using art as a tool to engage healthcare providers in ethical reflection and discuss factors for successful implementation.
