19TH INTERNATIONAL CONFERENCE ON CLINICAL ETHICS AND CONSULTATION

GENERAL INFOS - WIFI ACCESS - SPONSORS

To access the ICCEC conference WiFi, you must have a mobile phone connection capable of receiving an SMS in Switzerland.

For the first connection:

1. Activate the WiFi connection and select the network "public-chuv"
2. Enter your mobile number (including country code) and accept the terms and conditions
3. Enter the code received by SMS to connect to the network

The code is valid for ten days and can be used to connect to the "public-chuv" network from your phone, tablet, or laptop.

If you have a problem connecting:

- Check your mobile network availability. Only the Swisscom network is available in all CHUV buildings. In some areas (charging stations, basements, hallways, etc.), coverage from other operators may not be guaranteed.
- Do you have a foreign subscription? In that case, select a Swiss operator.
- You can always pass by the ICCEC welcome desk and we will try to help you connect!

If you can't directly connect or get a code via SMS, you can pass by the ICCEC welcome desk and we will give you WIFI codes.

We are grateful to all our sponsors:
